INSTRUCTIONS FOR COMPLETION OF APPLICATION

1. You must forward an application fee of \$125 with this application.
2. A separate application form is to be completed for each proposed transfer to a different licence holder.
3. **All applications must be completed in full before being lodged** with PIRSA Fisheries & Aquaculture. Applications that are not complete, or that do not have correct documentation attached, will be returned. Please contact PIRSA Fisheries & Aquaculture on (08) 8204 1370 if you have any queries. Licence Holders **MUST** initial each page (bottom corners) where indicated.

INFORMATION ABOUT TRANSFER

1. The *Fisheries Management (Blue Crab Fishery) Regulations 1998* provide that where a quota transfer takes place the Minister must vary the licence conditions of the relevant licences to also adjust the pot entitlement, in accordance with the formula in regulation 14 of those Regulations. Therefore, if one or both of the licences in this transfer is a licence for the Blue Crab Fishery and this application is approved, your quota unit entitlement will be adjusted and your pot entitlement will also be adjusted.
2. Quota entitlements can be transferred in whole uncaught units only.
3. Quota entitlements should not be fished until you have received written confirmation that the entitlements have been endorsed on the licence.
4. Transfer of blue crab quota will not alter the annual licence fees that apply. Your fees will not be recalculated. You will still be charged the full licence fee, including any outstanding instalments, for the remainder of the year. Licence holders should consider these fees when negotiating the transfer price of blue crab quota.
5. Blue Crab quota transfers attract stamp duty, including transfers between family members and transfers where no money changes hands.

A copy of this form will be forwarded to **RevenueSA** for assessment of stamp duty. Stamp duty is charged on either the consideration (inclusive of GST) or market value of the property transferred, whichever is greater. Generally, stamp duty must be paid within two (2) months of the transfer.

Documentation (i.e. contracts, agreements and tax invoices) associated with a transfer may be requested by **RevenueSA** to enable an assessment of stamp duty.

Information Circular No: 10

Stamp Duties Act 1923

Transfer of Fishing Licences Liability for Duty

Issued 31 May 2010

RevenueSA is responsible for the assessment and collection of stamp duty under the *Stamp Duties Act 1923* (the "Act").

Stamp duty is charged on instruments that convey an interest in **property**.

Property, for purposes of the Act, includes the transfer of fishing licences. This view has been confirmed by the South Australian Supreme Court in *Pennington v McGovern* (1987) 45 SASR 27 and by the Western Australian Supreme Court in *Austell Pty Ltd v Commissioner of State Taxation* (WA) 20 ATR.

The Act extends to temporary transfers of fishing licences (commonly referred to as "leases" of licences) as they are considered to be "an outright transfer of limited duration" within the legislative fisheries licensing framework.

Stamp duty is assessed on the consideration or market value, whichever is the greater. If the consideration is deemed below market value (even after evidence has been provided), the Commissioner of State Taxation may request a valuation of the property and assess the duty payable by reference to that valuation. The cost of the valuation may be recoverable from the person liable to pay the duty.

Stamp duty is calculated at *ad valorem* rates. For further information regarding the calculation of duty please visit the RevenueSA website at www.revenuesa.sa.gov.au.

The instrument that conveys the property and is assessed for stamp duty is the completed *Licence Transfer Form* **approved** by Primary Industries and Resources SA.

If you have any questions please contact RevenueSA at compliance.licensing@sa.gov.au.
