INSTRUCTIONS TO POT REGISTRATION HOLDERS

You must have a valid rock lobster pot registration (and valid tags fitted to each pot) before you can use a rock lobster pot in South Australian waters. Your rock lobster pot must comply with Fisheries Regulations.

A numbered tag issued by PIRSA **MUST BE** attached to the top of the rope near the red floating buoy, so that it is visible above the surface of the water, when the pot is in use. In the case of a lost or stolen tag, you will be required to apply to PIRSA Fisheries for a replacement tag to be issued. Applications for replacement tags can be made in person at a PIRSA Fisheries office or by telephoning PIRSA Fisheries Licensing on (08) 8204 1370 to request a form. A fee of **\$25.00** applies to the issue of replacement tags. Pots must be removed from the water until the replacement tag has been received and attached.
