

South Australian Wine Industry Development Scheme

2017–18 Cellar Door grant recipients (offered a grant)

Recipient	Funding	Project
Atze's Corner	\$25,000	Convert the mezzanine floor into a cellar door tasting area and upgrade the balcony area overlooking the Barossa Valley into an outdoor eating area
Bartagunyah	\$7,000	Upgrade cellar door aimed specifically at catering for the many cyclists that use the property's mountain bike tracks
Battle of Bosworth Wines	\$25,000	New cellar door with scenic views of Nepean Bay, Kangaroo Island
Bekkers Wines	\$14,250	Landscape the entry to the cellar door and the approach to the tasting room
Brokenchack Wines	\$25,000	Renovate a historic butcher's shop into a cellar door
Casa Freschi	\$25,000	Convert an existing building situated in the middle of the winery's vineyard into a cellar door
Chapel Hill	\$23,862	Take the tasting room outdoors by creating a vibrant family friendly space adjoining the existing 151-year-old Chapel
Chateau Tanunda	\$25,000	Build an exclusive tasting and dining area with picturesque views of the Barossa Ranges and other works
Claymore Wines	\$25,000	Upgrade the cellar door to cater for VIP barrel tastings and group blending sessions

Coriole Wines	\$25,000	Build a hilltop folly sited on an unused dam at the top of Coriole Hill with a front deck suspended above the vines
Crabtree Watervale	\$5,000	Upgrade the cellar door courtyard to commercial dining standards
d'Arenberg	\$25,000	Glass walls will enclose a space within the winery, creating a space where visitors will be able to view a working winery
Deviation Road	\$25,000	Build a purpose built tasting bench, a lounge dedicated to Adelaide Hills sparkling wine and a seated tasting area
DiGiorgio Family Wines	\$19,750	Develop a lawn area, landscape a helipad, BBQ area and outdoor kitchen
Dudley Wines	\$18,487	Develop an outdoor adventure area to cater for wine visitors travelling with their family and friends
Elderton Wines	\$25,000	Convert a 1918 Gentleman's bungalow into a state-of-the-art cellar door with many unique features
Flaxman Wines	\$11,610	Build a finishing kitchen on the side of a cottage to service the dining area
Fox Gordon	\$25,000	Build a replica of the Fox Gordon city tasting room in the emerging Kuitpo Forest area of the Adelaide Hills
Glen Roy Winemakers	\$25,000	Upgrade the kitchen facilities to support the cellar door's outdoor camping experience
Grosset Wines	\$25,000	Cellar door upgrade including a cellar door tasting and sales room, a sit down tasting area, an event presentation room and a wine museum
Gumpara Wines	\$25,000	New cellar door, Light Pass Region
Hersey Vineyard	\$25,000	Transform a Hahndorf shop front into a cellar door, designed along the lines of a late night Adelaide CBD small bar
Hewitson Wines	\$25,000	Renovate the original 1800s cottage for five-star accommodation
Hollick Wines	\$24874	Upgrade and extend the Hollick Estates Restaurant

Howard Vineyards	\$25,000	Create the Clover Wine Bar and cellar door with booth-style seating and a grand double facing fireplace built into the wall of an 1850s stone barn
Hutton Vale Farm	\$25,000	Repurpose the last of the original stone buildings on Hutton Vale Farm as a Museum Wine Tasting Room
Kalleske Wines	\$25,000	Renovate the Cellar Door and install a commercial kitchen featuring a wood-fired oven that will be fired from old wine barrels
Kies Family Wines	\$10,169	Add a second tasting area with panoramic views of the Barossa ranges
Kimbolton Wines	\$25,000	Construct a new cellar door from recycled shipping containers
Koonowla Wines	\$25,000	Develop and landscape the outside area of the cellar door for use as a pop-up venue for food and music events
Krondorf Creek Farm	\$25,000	Cellar door works, driveway upgrade and civil engineering and landscaping works
Lake Breeze Wines	\$25,000	Landscape, upgrade the roadway and add a new outdoor area to create an alfresco dining area
Langmeil	\$25,000	Pave and landscape the courtyard area next to the 1884 Freedom Room and the 1860s barn to preserve the sense of Langmeil's history and reshape the site around its original form
Maggie Beer Farmshop Cellar Door	\$25,000	Internally relocate and significantly expand the Cellar door operations at the Maggie Beer Farm Shop
Magill Estate	\$12,500	Build an interpretative / educational wine wall dedicated to winemaking and the history of Penfold's.
Ministry of Clouds	\$25,000	Convert existing vineyard building into a cellar door, to take advantage of the growing cluster of cellar doors in the Seaview precinct of McLaren Vale
Mount Lofty Ranges Vineyard	\$25,000	Build a new tasting area and expand and increase the size of the restaurant to create a private dining area
Murdoch Hill	\$25,000	Develop a new wine tasting area to host guided tasting experiences and education sessions with the Adelaide Hills as a backdrop

Penfold's Barossa Valley Cellar Door	\$12,500	Convert the entrance to the cellar door into a seated area for tutored tastings
Pernod Ricard's Jacob's Creek Visitor Centre	\$25,000	Develop wine experience hubs designed to host different experiences aimed in part at the growing number of Chinese wine tourists visiting the Jacob's Creek Visitor Centre
Pike River Woolshed	\$25,000	Develop a retail outlet for Riverland wines
Ralph Fowler Wines	\$12,500	New vineyard entrance and other works
Shaw Family Vintners	\$25,000	Renovate historic outbuildings into boutique guest accommodation
Shut the Gate Wines	\$24,908	Relocate the existing cellar door to a larger facility to include a private tasting room, a large cellar that accommodates small groups, an expanded providore store and an outdoor eating area
Smallfry Wines	\$25,000	Upgrade an old bank building located in Angaston's main street into a modern cellar door capable of offering tastings with small meals
Skillogalee	\$25,000	Landscape for an extra 20-30 outdoor seats, a new service / drinks bar and a large herb garden for the winery restaurant
Taylor's Wines	\$25,000	Construct a purpose-built country style facility that will add to the existing winery building and make use of the expansive garden and lawn areas
The Islander Estate	\$21,400	Upgrade the cellar door facilities for public wine tastings on offer seven days a week
The Wilson Vineyard	\$25,000	Staged design and construction of a new tasting room with expanded car park plus refit of the existing cellar door into an underground art gallery
Thorn Clarke Wines	\$25,000	Add the 'Ron Thorn' room to allow groups and VIP guests to enjoy hosted tastings
Turkey Flat Vineyards	\$25,000	Develop the Butcher's Block Lounge and Butchery in the existing private tasting room, bringing back to historical ties to the Turkey Flat Cellar Door and Butchers Shop
