1. Read the information contained in this application form carefully. Contact PIRSA Fisheries & Aquaculture if you need clarification of any fisheries management or licensing matter contained in, or related to, this form.
2. You are advised to contact the Department of Transport, Energy and Infrastructure regarding qualifications necessary to operate a boat.
3. Seek professional advice if necessary in relation to the completion of this form, including taxation and legal issues.
4. Charter Boat Fishery licence transfers attract stamp duty, including transfers between family members and transfers where no money changes hands.

A copy of this form will be forwarded to RevenueSA for assessment of stamp duty. Stamp duty is charged on either the consideration (inclusive of GST) or market value of the property transferred, whichever is greater. Generally, stamp duty must be paid within two (2) months of the transfer.

Documentation (i.e. contracts, agreements and tax invoices) associated with a licence transfer may be requested by RevenueSA to enable an assessment of stamp duty. ## GENERAL INFORMATION

1. The *Fisheries Management (Charter Boat Fishery) Regulations 2007* provide that a licence in respect of the charter boat fishery may be transferred with the consent of the Minister. An application for consent must be in writing and must be made on this form.
2. The *Fisheries Management (Charter Boat Fishery) Regulations 2007* provide that :The Minister must not consent to a transfer of a licence if satisfied as to the following:
  - (a) that any fees or other amounts payable in relation to the licence under the Act or the repealed Act have been paid in full;
  - (b) that the licence to be transferred has not been suspended;
  - (c) that no proceedings alleging an offence against the Act or the repealed Act are pending or likely to be commenced in the State against the holder of the licence;
  - (d) if the transferee is a natural person, that the transferee is at least 15 years of age and is a fit and proper person to hold a licence in respect of the fishery;
  - (e) if the transferee is a body corporate, that every member of the governing body of the body corporate is a fit and proper person to be a member of the governing body of a body corporate that holds a licence in respect of the fishery;
  - (f) if a boat is registered for use under the licence, that there is in force a policy of public liability insurance under which the transferee is insured or indemnified in an amount of at least \$10 000 000 in relation to death or bodily injury or property damage that may be caused by or arise out of the use of the boat under the licence.
3. Upon the death of a licence holder, the licence will become vested in the personal representative of the deceased, as part of the estate of the deceased. The requirements that apply in this situation are set out in section 57 of the *Fisheries Management Act 2007*.
4. The *Fisheries Management Act 2007* provides that a public register of authorities (including licences) issued under the Act must be kept. This register must include, among other things, a notation that a specified person has a registered interest in a licence. This notation will be made upon application by the holder of the relevant licence, and on payment of the prescribed fee.
5. If you are in the process of acquiring a licence under the *Fisheries Management Act 2007* you are advised to make independent enquires of the licence holder as to any demerit points that are recorded on that licence. The Public Register may not be up to date at the time of your search as there are sometimes delays in the allocation process and so should not be relied upon in isolation from other enquiries any demerits that are incurred by the licence as at the time of the transfer will be attributed to the relevant licence in the ordinary course of business regardless of any transfers occurring in that period. If you require further clarification of the actual demerits held by a licence prior to any transfer you will need to request that from PIRSA Fisheries in writing and as part of that process you will need written consent of the licence holder for that information to be released to you.

# Information Circular No: 10

## *Stamp Duties Act 1923*

### Transfer of Fishing Licences Liability for Duty

Issued 31 May 2010

RevenueSA is responsible for the assessment and collection of stamp duty under the *Stamp Duties Act 1923* (the "Act").

Stamp duty is charged on instruments that convey an interest in **property**.

Property, for purposes of the Act, includes the transfer of fishing licences. This view has been confirmed by the South Australian Supreme Court in *Pennington v McGovern* (1987) 45 SASR 27 and by the Western Australian Supreme Court in *Austell Pty Ltd v Commissioner of State Taxation* (WA) 20 ATR.

The Act extends to temporary transfers of fishing licences (commonly referred to as "leases" of licences) as they are considered to be "an outright transfer of limited duration" within the legislative fisheries licensing framework.

Stamp duty is assessed on the consideration or market value, whichever is the greater. If the consideration is deemed below market value (even after evidence has been provided), the Commissioner of State Taxation may request a valuation of the property and assess the duty payable by reference to that valuation. The cost of the valuation may be recoverable from the person liable to pay the duty.

Stamp duty is calculated at *ad valorem* rates. For further information regarding the calculation of duty please visit the RevenueSA website at [www.revenuesa.sa.gov.au](http://www.revenuesa.sa.gov.au).

The instrument that conveys the property and is assessed for stamp duty is the completed *Licence Transfer Form* **approved** by Primary Industries and Resources SA.

If you have any questions please contact RevenueSA at [compliance.licensing@sa.gov.au](mailto:compliance.licensing@sa.gov.au).

## AUSTRALIAN TAXATION OFFICE

### REPORTABLE PAYMENTS SYSTEM (RPS) Effective from 1 December 1994

As you are involved in the Fishing Industry it is likely that the Reportable Payments System (RPS) will apply to you. This system is not a new tax, it is a means of notifying the Tax Office of payments on which tax should be paid and helps make sure that people pay the right amount of tax.

This leaflet gives you a brief outline of the new arrangements. An information booklet detailing all the requirements of the RPS is available from the Tax Offices as well as some processors, wholesalers and co-operatives.

### WHAT IS A REPORTABLE PAYMENT?

A Reportable Payment will take place when either of the following two things happen:

⇒ Fish is bought or sold, except when it is sold to:

- a retailer or by a retailer \*
- the general public

⇒ Someone is paid for taking or catching fish.

However salary and wages paid to employees are **not** Reportable Payments, they are covered by the Pay As You Earn (PAYE) system.

(\*A retailer is a person or organisation who earns more than half their income through sales to the general public, eg. Take away food shops, restaurants and supermarkets.)

#### Some examples of Reportable Payments:

A processor pays a diver for abalone.

A fisher buys fish for bait from another fisher.

A share of the proceeds of a catch is paid to a deckhand who is not an employee.

A fish agent pays a fisher the proceeds of a sale on the fisher behalf.

### WHAT IS A FISH?

The term fish means live, fresh, processed or farmed fish, or part of any fish and includes crustaceans, molluscs and echinoderms.

### WHO IS A PAYER AND WHO IS A PAYEE (AND WHO IS BOTH)?

The RPS defines a person who makes a Reportable Payment as a *Payer* and a person who received a Reportable Payment as a *Payee*.

If you pay some people and get paid by others, you are both a Payer and a Payee which will be the case for many people.

Lic.Holder init's
-------------------

**WHAT DO I HAVE TO DO IF I AM A PAYER?**

- Accept and record Tax File Numbers (TFNs) quoted on Reportable Payments Declaration forms by payees.
- Complete the Payer details on Declaration Forms and send the forms to the Tax Office.
- Withhold tax of 48.4% from any Reportable Payment where no TFN has been quoted or a Pensioner Exemption has not been claimed.
- Provide a receipt to the Payee for any deduction made from a Reportable Payment.
- Send any tax withheld to the Tax Office.
- Provide an Annual Report, with details of all Reportable Payments made and any tax deducted during the financial year, to the Tax Office.

**WHAT DO I HAVE TO DO IF I AM A PAYEE?**

- Decide whether to quote your Tax File Number (TFN) or claim a Pensioner Exemption.\*
- If you decide not to quote your TFN or claim a Pensioner Exemption, your payer is required to deduct tax at the rate of 48.4%.
- If you decide to quote, complete a Reportable Payments Declaration Form and give it to your payer, who will send it to the Tax Office.
- If you do not have a TFN or do not know it, you should fill in a Tax File Number Application/Enquiry Form which is available from your local Tax Office.

**\*Pensioner Exemptions**

You may claim an exemption from quoting your TFN if you are receiving any of the following Australian Government pensions or benefits:

- Age Pension ..... Disability Support Pension
- Wife Pension ..... Carer Pension
- Sole Parent Pension.....Widow B Pension
- Special Benefit ..... Special Needs Pension
- Pension under the Veteran’s Entitlements Act 1986

**HOW OFTEN DO DECLARATION FORMS HAVE TO BE COMPLETED?**

Payees need to give each of their Payers only one Declaration Form, regardless of the number of payments made. However, if it is more than 12 months since a Payee received a Reportable Payment from a Payer, a new Declaration Form needs to be completed or the Payer is required to deduct tax from future payments.

**For further information on anything contained above call the RPS Information Service on 1800 625 624.**
