Petroleum Potential Conventional and Unconventional Call for PAPERS

The CABS 3 committee is calling for extended abstracts dealing with (but not restricted to) the conventional and unconventional resources, geology, geophysics, logistics, drilling technology, engineering, environmental and legal issues of the following basins:

Amadeus
Beetaloo
McArthur
Officer
Wiso

Arckaringa
Georgina
Ngalia
Pedirka-Warburton
Galilee

This will be an excellent opportunity to bring yourself up to date with the latest developments in these basins in the light of new, significant exploration activity.

An Amadeus Basin excursion will follow the conference, led by Dr Peter Haines (WA Geol Survey) as well as a one day Golf Competition.

KEYNOTE SPEAKERS:
To Be Advised

Further information and circulars will be distributed and available from the website: <http://pesa.com.au/cabs3.html>, which is currently under construction.
