

PRIMARY INDUSTRIES AND RESOURCES SA

**APPLICATION TO VARY A MARINE
AQUACULTURE LICENCE**

(Pursuant to Section 52, *Aquaculture Act 2001*)

APPLICATION FEES:

| | |
|--|----------------|
| Variation in Farming System and Species | \$2,185 |
| Variation in Species Only | \$1,644 |
| Variation in Farming System Only | \$1,341 |

Applications must be lodged with:
The Executive Director, Aquaculture Division
Primary Industries & Resources SA
GPO Box 1625
Adelaide SA 5001

Cheques must be made payable to "Primary Industries & Resources South Australia"

NOTE: The change to species and/or farming systems may extend the class of aquaculture permitted on the lease area. Please contact PIRSA Aquaculture on 8226 0314 to discuss before submitting this form and application fee.

I. PERSONAL DETAILS

1. Identify the licence that you seek the consent of the Minister to vary:

Licence Number:

Please Note: That all original licence documentation must be returned with this application.

2. I/We (provide the names and addresses for all current lease holders):

| Name | Address | Phone number |
|------|---------|--------------|
|------|---------|--------------|

| | | |
|-------|-------|-------|
| | | |
| | | |
| | | |
| | | |

hereby seek the consent of the Minister to vary this licence.

II. ADDITION OF SPECIES

Complete this section if you are seeking consent to add new species to your site. You must complete Section III if you are also seeking consent to change the farming methods used for the new species

3. Provide details of any new species you wish to farm on the site and the expected tonnage for each species:

| Common Name | Scientific Name | Max Expected tonnage on site (at full development) | Max expected tonnage per cage (at full development) |
|-------------|-----------------|--|---|
|-------------|-----------------|--|---|

| | | | |
|-------|-------|-------|-------|
| | | | |
| | | | |
| | | | |

Total tonnage all species

4. List any species you wish to have removed from your current licence:

5. List any known predators and detail the methods which are to be used for preventing and/or minimising these problems

- i) prior to commencement, and
- ii) if a problem arises in the future (attach a separate sheet if insufficient room):

Predator

Strategy

| | |
| | |
| | |

IV. OTHER CHANGES TO LICENCE CONDITIONS

- 9. Please provide details of any other licence conditions that you seek the consent of the Minister to vary (attach a separate sheet if insufficient room):

.....
.....
.....

- 10. Attach a strategy for minimising the risk of the escape of aquaculture stock into the wild and minimising adverse interactions with seabirds and large marine vertebrates resulting from aquaculture that is to be carried on under the licence. (see attached guidelines to assist in completing the strategy)

V. DECLARATION

11. A person must not make a statement that is false or misleading in a material particular (whether by reason of the inclusion or omission of any particular) in any information provided under the *Aquaculture Act 2001*.
Maximum penalty: \$5000¹

I/We declare that the information contained in this application is true and accurate:

All current licence holders must sign this section:

| Signature | Name | Date |
|-----------|-------|-------|
| | | |
| | | |
| | | |
| | | |

VI. OFFICE USE ONLY

12. Aquaculture Management Zone (if applicable):

13. Corresponding Lease Number:

14. Have all fees been paid? YES NO

15. Does the zone policy allow for this variation? YES NO

16. Does the variation extend the lease? YES NO

17. Scale diagram of the new farming layout on the site attached?
 YES NO

18. Scale diagrams of all new structures attached?
 YES NO

NOTE: On receipt of this application, you may be required to provide additional information.
