NOTICE TO MARINERS

NO. 23 OF 2018

South Australia – Thevenard – Bosanquet Bay – New Breakwater

Mariners are advised that Maritime Constructions will be constructing a new breakwater at the Thevenard Slipway, at the end of Slipway Road, between August 2018 and October 2019.

Earthmoving equipment will be placing material from shore progressively moving out during the construction.

Mariners are advised that the Thevenard boat ramp on Slipway Road is closed to the public during the works. The Puckridge boat ramp (Ceduna) is still open for public use.

Mariners are advised to remain clear of the yellow buoys surrounding the construction area and obey all signage when in the vicinity of the works. A light will be placed at the end of the breakwater during construction.

(hereinafter referred to as the Licensee) in relation to all regulated resources except a source of geothermal energy in respect of the area set out below, to have effect from 8 January 2008 and to expire on 7 January 2013 and carrying the right to one further renewal subject to the provisions of the *Petroleum Act 2000*.

DESCRIPTION OF AREA

The land comprised in this licence is that part of the State of South Australia described in the Schedule hereto.

CONDITIONS

1. During the term of the licence, the Licensee shall carry out or cause to be carried out exploratory operations on the area comprised in the licence in accordance with such work programs as are approved by the Minister from time to time. Year one exploratory operations are guaranteed and any subsequent licence year work program becomes guaranteed upon entry into any such licence year. These exploratory operations shall include but not necessarily be limited to -

Year of Term of Licence	Minimum Work Requirements
One	Geological and Geophysical Studies
Two	Geological and Geophysical Studies
Three	Geological and Geophysical Studies
Four	200 km Seismic Acquisition
Five	One well
<i>Work program to be undertaken anywhere within the area covered by PELs 87 or 424.</i>	

2. In the event that the Licensee during any year of the term of this licence (a year being the period of twelve calendar months ending on the anniversary of the date upon which this licence comes into force) fail to comply with the work program requirements of this licence, it is an express term of this licence that the Minister may, at his discretion, either cancel this licence or authorise such variation to these requirements as the Minister thinks fit.
3. The Licensee shall during periods determined by the Minister lodge and maintain with the Minister in the form acceptable to the Minister, for the satisfaction of obligations arising under the Act or this licence, a security of \$50,000 (fifty thousand dollars) or such greater sum as specified by the Minister from time to time.
4. The Licensee must:
 - (a) upon commencement of regulated activities under this licence, maintain in force during the term of this licence public liability insurance to cover regulated activities under this licence (including sudden and accidental pollution) in the name of the Licensee for a sum not less than twenty million dollars (\$20,000,000.00) or such greater sum as specified by the Minister, and make such amendments to the terms and conditions of the insurance as the Minister may from time to time require;
 - (b) maintain in force during the drilling of any well or operation in any well, control of well insurance in the name of the Licensee for a sum not less than ten million dollars (\$10,000,000.00) or such greater sum as specified by the Minister, and make such amendments to the terms and conditions of the insurance as the Minister may from time to time require;
 - (c) upon request by the Minister, provide the Minister with a cover note or certificate of currency of each insurance policy referred to in paragraphs (a) and (b).
5. The Minister in specifying the levels of insurance accepts no liability for the completeness of their listing, the adequacy of the sum insured, the limit of liability, the scoped coverage, the conditions or exclusions of these insurances in respect to how they may or may not respond to any loss, damage or liability.

6. The Licensee shall, upon production of a regulated resource from the licence area, comply with the licensee's obligations under Clause 7 of the Deeds dated 22 October 2001 between the Licensee, the Minister, and each of the Wangkangurru/Yarluyandi People, the Edward Landers Dieri People and the Yandruwandha/Yawarrawarrka People native title claimant parties, entered into for the purposes of Section 31 of the *Native Title Act 1993*.
7. The Licensee will ensure, when preparing an Environmental Impact Report under Part 12 of the *Petroleum Act 2000*, that the report also includes an assessment of the potential economic consequences for other licensees under the *Petroleum Act 2000* or *Mining Act, 1971* and owners of land, arising out of proposed regulated activities to be carried out in the licence area.
8. A contract or agreement entered into by the Licensee to transfer or accept liability for any well or facility constructed for the purpose of undertaking a regulated activity under the *Petroleum Act 1940 or 2000* cannot transfer, limit or exclude liability under the *Petroleum Act 2000* unless written consent of the Minister is obtained.
