Licence Number:	
Region:	

The information collected in this Landbased Aquaculture Production Return will be used to assess and plan for growth of the aquaculture industry in South Australia.

This information remains completely confidential and is not available on the aquaculture public register.

Production return reporting requirements under the *Aquaculture Regulations 2005* can be viewed at: <http://www.legislation.sa.gov.au/LZ/C/R/Aquaculture%20Regulations%202005.aspx> or by calling PIRSA Aquaculture on (08) 8226 0314.

Note that under Section 14, Division 1, Part 3 of the *Aquaculture Regulations 2005*, failure to complete **ALL** the reporting requirements by the due date may incur an expiation fee of \$315 and a penalty of up to \$5000.

Within this Return, sections should be completed in legible writing with responses written or circled where appropriate.

Landbased Production Return

1. Please detail the number of individuals engaged in aquaculture for this site during the reporting period.

All paid or unpaid individuals and the owner-operator are to be included in the total number of individuals employed.

Employment Category	Total number individuals employed
Full-time (permanent)	
Part-time (permanent)	
Casual/Seasonal	

2. Please provide details of the species introduced on the site during the reporting period and their source.

Species (common name)	Number of Spat/Fingerlings	Number of Broodstock	Name of Supplier	Supplier's Address

3. Please list the details of each supplier and the feed used for this site during the reporting period.

Type of Feed	Amount (kg)	Name of Supplier	Supplier's Address
Manufactured			
Natural			

Please attach additional page if feed obtained from several suppliers.

4. Please provide a list of the quantity and price of all product sold from this site during the reporting period.

Species (common name)	Total Produce Sold			Average Farm Gate Price (\$AUD / kg)	% Sales for Export
	Total Number Sold	Average Weight (kg)	Total Weight Sold (kg)		

5. Please provide your business's estimated growth for the next three years.

The following information is essential to allow PIRSA Aquaculture to plan for future growth in the Aquaculture industry.

	2007-8	2008-9	2009-10
Estimated increase in sales (as a percentage relative to 2006-7 production year)	%	%	%
Estimated increase in employment (as a percentage relative to 2006-7 production year)	%	%	%

DECLARATION

A person must not make a statement that is false or misleading in a material particular (whether by reason of the inclusion or omission of any particular) in any information provided under the Aquaculture Act 2001. Maximum penalty: \$5000¹

I/We declare that the information I/we have provided in this form is true and accurate.
