

Eyre Peninsula Grain Growers Rail Industry Fund

2019-20 Annual Report

Introduction

The *Primary Industry Funding Schemes Act 1998* was established to provide South Australian primary industries with a legislative based ability to raise funds within their sector to fund projects and services for the benefit of their sector.

Section 4 of the Act allows the Governor to make regulations establishing a fund for a particular sector of primary industry. All existing regulations are administered by the Minister for Primary Industries and Regional Development.

This is the Eyre Peninsula Grain Growers Rail Fund Annual Report for the year ended 30 June 2020, prepared under section 11 of the Act.

Overview

The Eyre Peninsula Grain Growers Rail Fund is established by the *Primary Industries Funding Schemes (Eyre Peninsula Grain Growers Rail Fund) Regulations 2017*. The purpose of this fund was to collect contributions from Eyre Peninsula grain growers for the purpose of a grain grower contribution of \$2 million toward the \$40 million rail upgrade project on Eyre Peninsula.

The contribution rate for this fund is defined in regulation 5 as 50 cents per tonne. The rate for this scheme was revised to 0 (zero) cents per tonne by Ministerial Notice dated 31 August 2011, as the scheme had achieved the targeted \$2 million of grower contributions.

Contribution rate	\$0.00 per tonne
-------------------	------------------

Contributors are no longer able to seek a refund of their contributions as provided for in regulation 5, the period for claiming refunds having expired.

Operation of the fund

Primary Industries and Regions SA manages the operations of the fund on behalf of the Minister.

There is no current management plan for the Eyre Peninsula Grain Growers Rail Fund as no contributions were received and the purpose of the fund has been achieved.

In accordance with regulation 6(b), the fund was also applied to administration expenses.

The fund accounts for the year ended 30 June 2020 have been audited by the Auditor-General's Department. The audited financial statements and audit report are attached.

To the Minister for Primary Industries and Regional Development – Eyre Peninsula Grain Growers Rail Fund

Opinion

I have audited the financial report of the Minister for Primary Industries and Regional Development – Eyre Peninsula Grain Growers Rail Fund for the financial year ended 31 March 2020.

In my opinion, the accompanying financial report gives a true and fair view of the financial position of the Minister for Primary Industries and Regional Development – Eyre Peninsula Grain Growers Rail Fund as at 31 March 2020, its financial performance and its cash flows for the year then ended in accordance with relevant Treasurer's Instructions issued under the provisions of the *Public Finance and Audit Act 1987* and Australian Accounting Standards.

The financial report comprises:

- a Statement of Comprehensive Income for the year ended 31 March 2020
- a Statement of Financial Position as at 31 March 2020
- a Statement of Changes in Equity for the year ended 31 March 2020
- a Statement of Cash Flows for the year ended 31 March 2020
- notes, comprising significant accounting policies and other explanatory information
- a Certificate from the Chief Executive, Department of Primary Industries and Regions (the Chief Executive), signed for and on behalf of the Minister for Primary Industries and Regional Development (the Minister) and the Acting Chief Financial Officer, Department of Primary Industries and Regions.

Basis for opinion

I conducted the audit in accordance with the *Public Finance and Audit Act 1987* and Australian Auditing Standards. My responsibilities under those standards are further described in the 'Auditor's responsibilities for the audit of the financial report' section of my report. I am independent of the Minister and the Department of Primary Industries and Regions which administers the fund on the Minister's behalf. The *Public Finance and Audit Act 1987* establishes the independence of the Auditor-General. In conducting the audit, the relevant ethical requirements of APES 110 *Code of Ethics for Professional Accountants* (including *Independence Standards*) have been met.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

Emphasis of matter

I draw attention to notes 1.3 and 7 of the financial report which note that the fund has met its objectives and the financial report has not been prepared on a going concern basis. The fund was established to raise \$2 million towards the cost of improving the Eyre Peninsula grain railway line. The objective of the fund was met in 2011-12. The Minister reduced the prescribed industry contribution amount to zero effective 31 August 2011 as the purpose of the fund was met. The fund's future will be determined by the Minister at a later date. My opinion is not modified in respect of this matter.

Responsibilities of the Minister and the Chief Executive for the financial report

The Chief Executive is responsible for the preparation of the financial report that gives a true and fair view in accordance with relevant Treasurer's Instructions issued under the provisions of the *Public Finance and Audit Act 1987* and Australian Accounting Standards, and for such internal control as the Chief Executive determines is necessary to enable the preparation of the financial report that gives a true and fair view and that is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the Chief Executive is responsible for assessing the entity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the entity is to be liquidated or to cease operations, or has no realistic alternative but to do so.

The Minister is responsible for overseeing the fund's financial reporting process.

Auditor's responsibilities for the audit of the financial report

As required by section 31(1)(b) of the *Public Finance and Audit Act 1987*, I have audited the financial report of the Minister for Primary Industries and Regional Development – Eyre Peninsula Grain Growers Rail Fund for the financial year ended 31 March 2020.

My objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

As part of an audit in accordance with Australian Auditing Standards, I exercise professional judgement and maintain professional scepticism throughout the audit. I also:

- identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control
- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control
- evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Chief Executive
- conclude on the appropriateness of the entity's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the entity's ability to continue as a going concern
- evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

My report refers only to the financial report described above and does not provide assurance over the integrity of electronic publication by the entity on any website nor does it provide an opinion on other information which may have been hyperlinked to/from the report.

I communicate with the Chief Executive and the Minister about, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that I identify during the audit.
