The Hon Nicola Centofanti MLC

Dear Ms Centofanti

Determination under the *Freedom of Information Act 1991*

I refer to your application made under the *Freedom of Information Act 1991* received by the Office of the Minister for Primary Industries and Regional Development and the Office of the Minister for Forest Industries on 25 May 2023 requesting access to the following:

“A copy of all entries in the diary of the Minister for Primary Industries and Regional Development and the Minister for Forest Industries between 1 November 2022 and 25 May 2023”

The scope of your application includes documents relating to entries in the diary between 1 November 2022 and 31 December 2022 to which you have been provided, as per my determination made on 13 February 2023 (refer MPIRD ref: eA198688). Accordingly, the scope of your application excludes these documents, ie:

- Document 1: Part Release - 01/11/2022 to 30/11/2022
- Document 2: Part Release - 01/12/2022 to 31/12/2022

The following determination has been finalised.

I have located five documents that are captured within the scope of your request.

Determination 1

I have determined that access to the following document is **granted in part**:

Doc No.	Description of document	No. of Pages
1	Diary print-out – Minister Scriven – 01/01/2023 to 31/01/2023	31

Minister for Primary Industries and Regional Development
Minister for Forest Industries

GPO Box 1671 Adelaide SA 5001
Telephone 08 8226 2931 | Email minister.scriven@sa.gov.au

The information removed from the above document is pursuant to Clause 6(1) and Clause 9(1) of Schedule 1 of the Freedom of Information Act.

Clause 6(1) states:

“6 - Documents affecting personal affairs

(1) A document is an exempt document if it contains matter the disclosure of which would involve the unreasonable disclosure of information concerning the personal affairs of any person (living or dead).”

The information removed pursuant to Clause 6(1) consists of personal information relating to a Minister.

The term ‘personal affairs’ has been held to involve ‘matters of private concern to an individual’ and the ‘composite collection of activities personal to the individual concerned’.

Accordingly, it is considered that disclosure of this information would be an unreasonable intrusion into the privacy rights of the individual concerned.

Clause 9(1) states:

“9—Internal working documents

(1) A document is an exempt document if it contains matter—

(a) that relates to -

(i) any opinion, advice or recommendation that has been obtained, prepared or recorded; or

(ii) any consultation or deliberation that has taken place, in the course of, or for the purpose of, the decision-making functions of the Government, a Minister or an agency; and

(b) the disclosure of which would, on balance, be contrary to the public interest.”

The information removed pursuant to Clause 9(1) consists of the topics of discussion for the decision-making purposes of a Minister.

In addressing the public interest test for the Clause 9(1) exemption, I have balanced the following factors:

In favour of the public interest:

- Meeting the objects of the Act favouring access to documents.
- Ensuring optimal use of public resources.
- High level of interest in the accountability of public office holders.
- The importance of transparency and openness and the interest that the public has in the decision-making processes of Government.

Contrary to the public interest:

- Topics of discussion are required to be recorded in the Minister's calendar, however, the confidentiality of some subjects must be maintained for decision-making purposes prior to being made public.
- The recent age of the information was considered and the continuing relevance of the matters.
- Disclosing this information may compromise the manner in which information is gathered in the future for the decision-making processes of Government.

Having considered the various factors weighing for and against disclosure, I have determined that disclosure of this information would, on balance, be contrary to the public interest.

Determination 2

I have determined that access to the following document is **granted in part**:

Doc No.	Description of document	No. of Pages
2	Diary print-out – Minister Scriven – 01/02/2023 to 28/02/2023	28

The information removed from the above document is pursuant to Clause 6(1) and Clause 13(1)(a) of Schedule 1 of the Freedom of Information Act.

The information removed pursuant to Clause 6(1) consists of the personal information relating to a Minister.

Accordingly, it is considered that disclosure of this information would be an unreasonable intrusion into the privacy rights of the individual concerned.

Clause 13(1)(a) states:

“13 - Documents containing confidential material

(1) A document is an exempt document —

(a) if it contains matter the disclosure of which would found an action for breach of confidence;”

The material removed pursuant to Clause 13(1)(a) consists of details relating to a Cabinet Committee meeting and is regarded as being confidential information which is not for release into the public domain.

Determination 3

I have determined that access to the following document is **granted in part**:

Doc No.	Description of document	No. of Pages
3	Diary print-out – Minister Scriven – 01/03/2023 to 31/03/2023	31

The information removed pursuant to Clause 6(1) consists of the following:

- Personal information relating to a Minister
- Telephone number
- Names of individuals

Accordingly, it is considered that disclosure of this information would be an unreasonable intrusion into the privacy rights of the individuals concerned.

The information removed pursuant to Clause 9(1) consists of the topics of discussion for the decision-making purposes of a Minister.

In addressing the public interest test for the Clause 9(1) exemption, I have balanced the following factors:

In favour of the public interest:

- Meeting the objects of the Act favouring access to documents.
- Ensuring optimal use of public resources.
- High level of interest in the accountability of public office holders.
- The importance of transparency and openness and the interest that the public has in the decision-making processes of Government.

Contrary to the public interest:

- Topics of discussion are required to be recorded in the Minister's calendar, however, the confidentiality of some subjects must be maintained for decision-making purposes prior to being made public.
- The recent age of the information was considered and the continuing relevance of the matters.
- Disclosing this information may compromise the manner in which information is gathered in the future for the decision-making processes of Government.

Having considered the various factors weighing for and against disclosure, I have determined that disclosure of this information would, on balance, be contrary to the public interest.

Determination 4

I have determined that access to the following document is **granted in part**:

4	Diary print-out – Minister Scriven – 01/04/2023 to 30/04/2023	30

The information removed from the above document is pursuant to Clause 6(1) and Clause 9(1) of Schedule 1 of the Freedom of Information Act.

The information removed pursuant to Clause 6(1) consists of the following:

- Telephone number

Accordingly, it is considered that disclosure of this information would be an unreasonable intrusion into the privacy rights of the individuals concerned.

The information removed pursuant to Clause 9(1) consists of the topic of discussion for the decision-making purposes of a Minister.

In addressing the public interest test for the Clause 9(1) exemption, I have balanced the following factors:

In favour of the public interest:

- Meeting the objects of the Act favouring access to documents.
- Ensuring optimal use of public resources.
- High level of interest in the accountability of public office holders.
- The importance of transparency and openness and the interest that the public has in the decision-making processes of Government.

Contrary to the public interest:

- Topics of discussion are required to be recorded in the Minister's calendar, however, the confidentiality of some subjects must be maintained for decision-making purposes prior to being made public.
- The recent age of the information was considered and the continuing relevance of the matters.
- Disclosing this information may compromise the manner in which information is gathered in the future for the decision-making processes of Government.

Having considered the various factors weighing for and against disclosure, I have determined that disclosure of this information would, on balance, be contrary to the public interest.

Determination 5

I have determined that access to the following document is **granted in part**:

Doc No.	Description of document	No. of Pages
5	Diary print-out – Minister Scriven – 01/05/2023 to 25/05/2023	25

The information removed from the above document is pursuant to Clause 6(1) and Clause 9(1) of Schedule 1 of the Freedom of Information Act.

The information removed pursuant to Clause 9(1) consists of the topic of discussion for the decision-making purposes of a Minister.

In addressing the public interest test for the Clause 9(1) exemption, I have balanced the following factors:

In favour of the public interest:

- Meeting the objects of the Act favouring access to documents.
- Ensuring optimal use of public resources.
- High level of interest in the accountability of public office holders.
- The importance of transparency and openness and the interest that the public has in the decision-making processes of Government.

Contrary to the public interest:
