

Clare Valley Wine Industry Fund

2018-19 Annual Report

Introduction

The *Primary Industry Funding Schemes Act 1998* was established to provide South Australian primary industries with a legislatively based ability to raise funds within their sector to fund projects and services for the benefit of their sector.

Section 4 of the Act allows the Governor to make regulations establishing a fund for a particular sector of primary industry. All existing funds are administered by the Minister for Primary Industries and Regional Development.

This is the Clare Valley Wine Industry Fund Annual Report for the year ended 30 June 2019, prepared under section 11 of the Act.

Overview

The Clare Valley Wine Industry Fund is established by the *Primary Industries Funding Schemes (Clare Valley Wine Industry Fund) Regulations 2008*.

The contribution rates for this fund are outlined in regulation 5 and are as follows:

Grower contribution rate	\$8.00 per tonne
Winemaker contribution rate (purchased grapes)	\$8.00 per tonne
Winemaker contribution rate (own grapes)	\$8.00 per tonne
Minimum winemaker contribution	
- No cellar door in Clare Valley	\$500
- Cellar door in Clare Valley	\$1,000
Maximum grower or winemaker contribution	\$15,000

Contributors may seek a refund of their contributions as provided for in regulation 6.

The purposes for which the fund can be applied by the Minister are outlined in regulation 7. Payments from the fund may be made to a body that, in the opinion of the Minister, represents both growers and winemakers of Clare Valley grapes.

Operation of the fund

Primary Industries and Regions SA manages the operations of the fund on behalf of the Minister.

The fund management plan current for the year ended 30 June 2019 was prepared in accordance with section 9 of the Act. The plan was presented at a public meeting held on 19 September 2018 and was publicly available on the PIRSA website. It is attached to this report.

One application was received from the Clare Valley Wine and Grape Association. This application met the requirements of the regulations and was approved by the Minister.

Where requested, refunds of contributions were paid in accordance with regulation 6.

In accordance with regulation 7(c), the fund was also applied to administration expenses.

The fund accounts for the year ended 30 June 2019 have been audited by the Auditor-General's Department. The audited financial statements and audit report are attached.

Introduction

The [Primary Industry Funding Schemes Act 1998](#) (the Act) provides South Australian primary industries with a legislative based ability to raise funds within their sector so they can favourably position themselves in the national and international marketplace.

Section 4 of the Act allows the Governor to make regulations to establish a fund for a particular primary industry sector. All existing funds are administered by the Minister for Primary Industries and Regional Development (the Minister). Primary Industries and Regions SA (PIRSA) is the Minister's agent for the administration of these funds.

The Clare Valley Wine Industry Fund is established by the [Primary Industry Funding Schemes \(Clare Valley Wine Industry Fund\) Regulations 2008](#) ('the regulations').

Contributions are payable at the rate prescribed in the regulations. Clare Valley winemakers and growers of Clare Valley grapes contribute to the fund. Grape grower contributions are collected by the winemaker as a deduction from the payment made by the winemaker to a grower. Winemakers are responsible for paying contributions on their own behalf. Winemakers are required to forward all contributions to the Minister on or before 30 June each year.

Contributors may seek a refund of their contributions. If a refund is paid to a contributor, they are deemed to be 'in default' and not entitled to receive benefits or services funded by payments from the fund.

Payments are made from the fund for purposes defined in regulation 7.

This management plan has been developed in consultation with the body that represents the contributors to the fund. It covers a five-year period and must be revised annually, but may be updated at any time by the administrator of the fund.

Estimate of contributions to the fund

The regulations require growers of Clare Valley grapes and winemakers that process Clare Valley grapes to contribute to the fund.

The 'grower contribution' is paid by the grower of the Clare Valley grapes, out of the amount payable by the winemaker to the grower for the grapes.

The winemaker is required to pay a 'winemaker contribution' on Clare Valley grapes grown by the winemaker and by other persons and delivered to the winemaker for processing into wine.

Contributions are subject to minimum and maximum amounts.

The contribution rates are set in regulation 5 and are described in Table 1.

The regulations require winemakers to pay all contributions to PIRSA by 30 June each year.

Table 1: Contribution rates

Winemaker contribution rate (purchased grapes)	\$8.00	\$9.00	\$9.00	\$9.00	\$9.00
Winemaker contribution rate (own grapes)	\$8.00	\$9.00	\$9.00	\$9.00	\$9.00
Minimum winemaker contribution

Maximum contribution	\$15,000	\$17,500	\$17,500	\$20,000	\$20,000

The estimate of the contributions to the fund shown in Table 2 is based on the 2018 SA Winegrape Crush Survey.

A preliminary estimate of the 2017-18 contributions is included in Table 2, as payments from the fund in 2018-19 will be made from these contributions.

Investment of the fund

PIRSA administers the financial operations the fund on behalf of the Minister in accordance with the regulations and the [Public Finance and Audit Act 1987](#).

Contributions are invested in a separate interest bearing account at the Department of Treasury and Finance. Interest is paid quarterly on monies held, and is treated as income to the fund in accordance with regulation 4(3)(b).

Purposes of the fund

Regulation 7 outlines the purposes for which payments from the fund may be made:

7—Application of Fund

The Fund may be applied by the Minister for any of the following purposes:

- (a) payments to a body that, in the opinion of the Minister, represents both Clare Valley winemakers and growers of Clare Valley grapes (or both) for 1 or more of the following purposes:
 - (i) the reasonable operating and management expenses of the body;
 - (ii) promoting the Clare Valley wine industry;
 - (iii) undertaking or facilitating research and development, or the collection and dissemination to Clare Valley winemakers and growers of Clare Valley grapes of information, relevant to the Clare Valley wine industry and, in particular, to the improvement of practices in the industry;
 - (iv) the participation of the body in regional, State and national wine industry events;
 - (v) programs designed to encourage communication and cooperation between Clare Valley winemakers and growers of Clare Valley grapes;
 - (vi) other purposes of the body;

- (b) payments for other purposes for the benefit of the Clare Valley wine industry;
- (c) payment of the expenses of administering the Fund;
- (d) repayment of contributions to the Fund under regulation 6.

Eligible organisation

An eligible organisation is a body which, in the opinion of the Minister, represents 'Clare Valley winemakers or growers of Clare Valley grapes (or both)'.

Application process

The eligible organisation should contact the Responsible Officer (see page 2) about preparing an application to receive a payment from the fund. The application should be in the form of a letter to the Minister which:

- confirms the organisation represents grape growers and wine makers of the region
- requests a payment from the fund
- attaches an operational plan, which with respect to each broad program activity:
 - provides a brief description of the activity and intended outcome
 - aligns the activity to a purpose (regulation 7(a))
 - provides a budgeted cost for the activity

The application for payment should not be made until after the revised management plan is presented at a public meeting.

Application approval

Ministerial approval for payment from the fund to the eligible organisation is deemed to be an agreement with the Minister that the eligible organisation will undertake the activities outlined in the operational plan, and comply with any requirements in the regulations and this management plan.

The organisation will be required to sign and return an acknowledgement of these conditions, provided with the letter of approval from the Minister, prior to payment being made.

Payment terms

Payments from the fund to the eligible organisation may be made in accordance with the schedule in Table 3. The amount of any payment will not exceed the available balance of the fund at the time, less an amount which is considered sufficient to cover audit and administrative costs plus an allowance for any refunds to contributors.

Table 3 Proposed schedule for payments from the fund

	October / November	January	May
Percentage of total annual payment	60%	20%	20%

Reporting requirements

The eligible organisation is to provide PIRSA with a report within one month of the end of the financial year, detailing the benefits and services funded with payments from the fund and a statement of acquittal, demonstrating that all monies were expended in accordance with the application for payment.

Updating the management plan

The revised draft of the management plan will be provided to the eligible organisation for its comment.

Feedback will be considered and the management plan finalised and provided to the Minister.

The updated management plan will be presented at a public meeting which will be advertised and facilitated by PIRSA.

The management plan will then be posted on the PIRSA website to meet the requirements of section 9 (7) of the Act, in a manner permitted by section 51 of the [Acts Interpretation Act 1915](#), which provides for 'production of records kept by computer or other process.'

To the Minister for Primary Industries and Regional Development – Clare Valley Wine Industry Fund

As required by section 31(1)(b) of the *Public Finance and Audit Act 1987*, I have audited the financial report of the Minister for Primary Industries and Regional Development – Clare Valley Wine Industry Fund (the fund) for the financial year ended 30 June 2019.

Qualified opinion

In my opinion, except for the possible effects of the matter described in the 'Basis for qualified opinion' section of my report, the accompanying financial report gives a true and fair view of the financial position of the Minister for Primary Industries and Regional Development – Clare Valley Wine Industry Fund as at 30 June 2019, its financial performance and its cash flows for the year then ended in accordance with the Treasurer's Instructions issued under the provisions of the *Public Finance and Audit Act 1987* and Australian Accounting Standards.

The financial report comprises:

- a Statement of Comprehensive Income for the year ended 30 June 2019
- a Statement of Financial Position as at 30 June 2019
- a Statement of Changes in Equity for the year ended 30 June 2019
- a Statement of Cash Flows for the year ended 30 June 2019
- notes, comprising significant accounting policies and other explanatory information
- a Certificate from the Chief Executive, Department of Primary Industries and Regions (the Chief Executive), signed for and on behalf of the Minister for Primary Industries and Regional Development (the Minister) and the Acting Chief Financial Officer, Department of Primary Industries and Regions.

Basis for qualified opinion

As referred to in note 4.1 to the financial statements, pursuant to regulation 5 of the Primary Industry Funding Schemes (Clare Valley Wine Industry Fund) Regulations 2008, under the *Primary Industry Funding Schemes Act 1998*, contributions are required to be paid into the fund for each tonne of Clare Valley grapes delivered to a Clare Valley winemaker. While there are adequate internal controls over contributions actually received, there are no procedures in place to ensure the contributions received represent the actual tonnage delivered. Consequently, I am unable to express an opinion on whether income recognised as contributions from industry of \$303 560 (\$187 696) is complete.

I conducted the audit in accordance with the *Public Finance and Audit Act 1987* and Australian Auditing Standards. My responsibilities under those standards are further described in the 'Auditor's responsibilities for the audit of the financial report' section of my report. I am independent of the Minister and the Department of Primary Industries and Regions which administers the fund on the Minister's behalf. The *Public Finance and Audit Act 1987* establishes the independence of the Auditor-General. In conducting the audit, the relevant ethical requirements of APES 110 *Code of Ethics for Professional Accountants* have been met.

I believe that the audit evidence obtained is sufficient and appropriate to provide a basis for my qualified opinion.

Responsibilities of the Minister and the Chief Executive for the financial report

The Chief Executive is responsible for the preparation of the financial report that gives a true and fair view in accordance with the Treasurer's Instructions issued under the provisions of the *Public Finance and Audit Act 1987* and Australian Accounting Standards, and for such internal control as the Chief Executive determines is necessary to enable the preparation of the financial report that gives a true and fair view and that is free from material misstatement, whether due to fraud or error.

The Minister is responsible for overseeing the entity's financial reporting process.

Auditor's responsibilities for the audit of the financial report

My objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

As part of an audit in accordance with Australian Auditing Standards, I exercise professional judgement and maintain professional scepticism throughout the audit. I also:

- identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control

- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control
- evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Chief Executive
- evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

My report refers only to the financial report described above and does not provide assurance over the integrity of electronic publication by the entity on any website nor does it provide an opinion on other information which may have been hyperlinked to/from the report.

I communicate with the Chief Executive and the Minister about, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that I identify during the audit.

Notes to and forming part of the financial statements
for the year ended 30 June 2019

7. Changes in accounting policy

7.1. Treasurer's Instructions (Accounting Policy Statements)

On 22 March 2019 the *Treasurer's Instructions (Accounting Policy Statements) 2019* were issued by the Treasurer under the *Public Finance and Audit Act 1987*. The Accounting Policy Statements replaced the following Accounting Policy Frameworks:

- Purpose and Scope
- General Purpose Financial Statements Framework
- Asset Accounting Framework
- Financial Asset and Liability Framework
- Income Framework
- Definitions.

The new Accounting Policy Statements have largely been prepared on a no-policy change basis. There were no changes that impact on these financial statements.

7.2. AASB 9 Financial instruments

AASB 9 Financial Instruments replaces the provisions of AASB 139 that relate to recognition, classification and measurement of financial assets and financial liabilities, derecognition of financial instruments, impairment of financial assets and hedge accounting. The adoption of AASB 9 from 1 July 2018 did not have a material impact on these financial statements.

Receivables that were classified as loans and receivables under AASB 139 are now classified at amortised cost as they meet the appropriate criteria under AASB 9.

8. Outlook

8.1. Contingent liabilities

Refunds of contributions

Under Regulation 6(1) refunds of contributions paid in respect of Clare Valley grapes delivered during a prescribed period may be claimed by notice in writing to the Minister within the 12 months following that prescribed period.

At the reporting date the possible emergence of valid refund requests within the 12 months following the prescribed period is present. However, as uncertainty exists as to the number of refund requests that will be received, and their timing and amount, these potential obligations cannot be reliably estimated and therefore represent a contingent liability for the Fund.

Once a valid refund request has been received from a past contributor and it is approved by the Minister or delegate, a present obligation to pay the refund arises. The refund amount is then recognised as a liability and expense of the Fund.

8.2. Events after the reporting period
