# APPLICATION TO TRANSFER VONGOLE QUOTA UNITS

## INSTRUCTIONS FOR COMPLETION OF APPLICATION

1. You must forward an application fee of \$158 with this application.
2. A separate application form is to be completed for each proposed transfer to a different licence holder of one or more types of quota.
3. **Transfer of vongole quota will not alter the annual licence fees that apply. Your fees will not be recalculated.** You will still be charged the full licence fee, including any outstanding instalments, for the remainder of the year. Licence holders should consider these fees when negotiating the transfer price of vongole quota.
4. **All applications must be completed in full before being lodged** with PIRSA Fisheries & Aquaculture. Applications that are not complete, or that do not have correct documentation attached, will be returned. Please contact PIRSA Fisheries & Aquaculture on (08) 8204 1370 if you have any queries. Both parties **MUST** initial each page (bottom corners) where indicated.

## INFORMATION ABOUT TRANSFERS

1. Quota can only be transferred between eligible licences as specified in the regulations.
2. Northern Zone Rock Lobster Fishery licences may have vongole quota endorsed but only if they have Option B or Option C Marine Scalefish access.
3. Quota unit entitlements are reallocated and endorsed on licences prior to 1 July each year in the vongole Fishery, for the start of the quota year on 1 July. Temporary quota unit transfers therefore only apply until end of the quota year in which transfer is made – i.e. until 30 June.
4. There are three separate types of quota units in the fishery. A quota unit for a vongole zone of the fishery can only be used to take vongoles from that zone. Quota units can not be transferred for use in other zones.
5. **Only unfished quota units can be transferred.** Unfished quota units can be permanently or temporarily transferred to **1 decimal place** (ie.10.5 units).
6. Quota entitlements that are transferred should not be fished until you have received written confirmation that the entitlements have been endorsed on the licence.
7. In the circumstances where a cockle rake is not currently endorsed, an application may be made for the registration of a **restricted cockle rake** to be used for taking vongole quota entitlements.
