The Hon Nicola Centofanti MLC
Member of the Legislative Council
Parliament House
ADELAIDE SA 5000

Dear Ms ~~Centofanti~~ *Nicola,*

Internal Review Determination under the *Freedom of Information Act 1991*

I refer to your application for Internal Review made under the *Freedom of Information Act 1991* received on 5 December 2023.

Your original application sought access to the following:

“A copy of all entries in the diary of the Minister for Primary Industries and Regional Development between 31 July 2023 and 31 October 2023.”

It is noted that you have proceeded to Internal Review as my office failed to determine your original application within the legislative timeframe, and therefore deemed a refusal of access.

Internal review of the documents

Following an independent internal review of your application, I advise the following:

Issues in this review

The Office of the Minister for Primary Industries and Regional Development did not provide a determination within the legislative timeframe, pursuant to Section 14(2) of the Freedom of Information Act.

Internal Review Determination

The following determination has been finalised.

I have located three documents that are captured within the scope of your request.

Determination 1

I have determined that access to the following document is **granted in part**:

Doc No.	Description of document	No. of Pages
1	Diary print-out – Minister Scriven – 31/07/2023 to 31/08/2023	5

Minister for Primary Industries and Regional Development
Minister for Forest Industries

GPO Box 1671 Adelaide SA 5001
Telephone 08 8226 2931 | Email minister.scriven@sa.gov.au

The information removed from the above document is pursuant to Clause 6(1) and Clause 9(1) of Schedule 1 of the Freedom of Information Act which states:

“6 - Documents affecting personal affairs

(1) A document is an exempt document if it contains matter the disclosure of which would involve the unreasonable disclosure of information concerning the personal affairs of any person (living or dead).”

The information removed pursuant to Clause 6(1) consists of the personal information relating to a Minister.

The term ‘personal affairs’ has been held to involve ‘matters of private concern to an individual’ and the ‘composite collection of activities personal to the individual concerned’.

Accordingly, it is considered that disclosure of this information would be an unreasonable intrusion into the privacy rights of the individual concerned.

Clause 9(1) states:

“9—Internal working documents

(1) A document is an exempt document if it contains matter—

(a) that relates to -

(i) any opinion, advice or recommendation that has been obtained, prepared or recorded; or

(ii) any consultation or deliberation that has taken place, in the course of, or for the purpose of, the decision-making functions of the Government, a Minister or an agency; and

(b) the disclosure of which would, on balance, be contrary to the public interest.”

The information removed consists of the topics of discussion for the decision-making purposes of a Minister.

In addressing the public interest test for the Clause 9(1) exemption, I have balanced the following factors:

In favour of the public interest:

- Meeting the objects of the Act favouring access to documents.
- Ensuring optimal use of public resources.
- High level of interest in the accountability of public office holders.
- The importance of transparency and openness and the interest that the public has in the decision-making processes of Government.

Contrary to the public interest:

- Topics of discussion are required to be recorded in the Minister’s calendar, however, the confidentiality of some subjects must be maintained for the decision-making purposes of a Minister.
- The recent age of the information was considered and the continuing relevance of the matters.
- If such detail was released, future diary entries would contain less detail, resulting in insufficient information being provided for the preparation of meetings.
- Disclosing this information would likely compromise the manner in which information is gathered in the future for the decision-making processes of Government.

Having considered the various factors weighing for and against disclosure, I have determined that disclosure of this information would, on balance, be contrary to the public interest.

Determination 2

I have determined that access to the following document is **granted in part**:

Doc No.	Description of document	No. of Pages
2	Diary print-out – Minister Scriven – 01/09/2023 to 30/09/2023	31

The information removed from the above document is pursuant to Clause 6(1), Clause 9(1) and Clause 13(1)(a) of Schedule 1 of the Freedom of Information Act.

The information removed pursuant to Clause 9(1) consists of the topics of discussion for the decision-making purposes of a Minister.

In addressing the public interest test for the Clause 9(1) exemption, I have balanced the following factors:

In favour of the public interest:

- Meeting the objects of the Act favouring access to documents.
- Ensuring optimal use of public resources.
- High level of interest in the accountability of public office holders.
- The importance of transparency and openness and the interest that the public has in the decision-making processes of Government.

Contrary to the public interest:

- Topics of discussion are required to be recorded in the Minister’s calendar, however, the confidentiality of some subjects must be maintained for decision-making purposes of a Minister.
- The recent age of the information was considered and the continuing relevance of the matters.
- If such detail was released, future diary entries would contain less detail, resulting in insufficient information being provided for the preparation of meetings.
- Disclosing this information would likely compromise the manner in which information is gathered in the future for the decision-making processes of Government.

Having considered the various factors weighing for and against disclosure, I have determined that disclosure of this information would, on balance, be contrary to the public interest.

Clause 13(1)(a) states:

“13 - Documents containing confidential material

(1) A document is an exempt document —

(a) if it contains matter the disclosure of which would found an action for breach of confidence;”

The material removed pursuant to Clause 13(1)(a) consists of details relating to a Cabinet Committee meeting and is regarded as being confidential information which is not for release into the public domain.

The information removed pursuant to Clause 6(1) consists of the personal information relating to a Minister.

The term 'personal affairs' has been held to involve 'matters of private concern to an individual' and the 'composite collection of activities personal to the individual concerned'.

Accordingly, it is considered that disclosure of this information would be an unreasonable intrusion into the privacy rights of the individual concerned.

Determination 3

I have determined that access to the following document is **granted in part**:

Doc No.	Description of document	No. of Pages
3	Diary print-out – Minister Scriven – 01/10/2023 to 31/10/2023	4

The information removed from the above document is pursuant to Clause 6(1) Schedule 1 of the Freedom of Information Act which states:

“6 - Documents affecting personal affairs

(2) A document is an exempt document if it contains matter the disclosure of which would involve the unreasonable disclosure of information concerning the personal affairs of any person (living or dead).”

The information removed pursuant to Clause 6(1) consists of the personal information relating to a Minister.

The term 'personal affairs' has been held to involve 'matters of private concern to an individual' and the 'composite collection of activities personal to the individual concerned'.

Accordingly, it is considered that disclosure of this information would be an unreasonable intrusion into the privacy rights of the individual concerned.

The material removed pursuant to Clause 13(1)(a) consists of details relating to a Cabinet Committee meeting and is regarded as being confidential information which is not for release into the public domain.

In accordance with the requirements of Premier and Cabinet Circular PC045, details of your application, and the document to which you are given access, will be published in the disclosure log on the [PIRSA website](http://pirsa.sa.gov.au). A copy of PC045 can be found at http://dpc.sa.gov.au/data/assets/pdf_file/0019/20818/PC045-Disclosure-Log-Policy.pdf.
