

# South Australian Food & Wine

### Snapshot

South Australia's food and wine are premium in quality and produced in clean water, clean air and clean soil. We are the only mainland State in Australia that is **fruit fly free**. Thanks to strong biosecurity measures, we have some of the oldest vines in the world. Adelaide, South Australia is a Great Wine Capital of the world, **producing 80% of Australia's premium wine**.

New Zealand	\$7.6m

### Clean and green

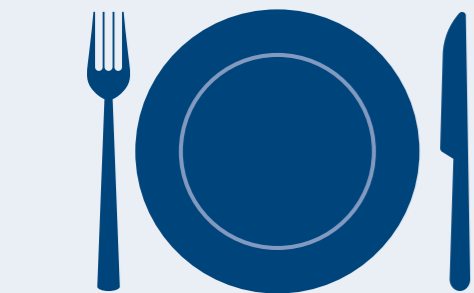

We are the only mainland State in Australia that is fruit fly free and the only mainland Australian State where commercial cultivation of genetically modified food crops is prohibited. We are one of the few places in the world that is free of the grape vine destroying pest phylloxera.

Adelaide, South Australia is a member of the Great Wine Capitals Global Network, joining the likes of Bordeaux and Napa Valley, whose regions are recognised as significant economic and cultural assets.

**Cellar doors within an hour's drive from Adelaide**

**1,499 Businesses**  
in South Australia in food, wine and beverage manufacturing.
