The Hon Frank Pangallo MLC  
Member of the Legislative Council  
Parliament House  
ADELAIDE SA 5000

Dear Mr Pangallo *Frank,*

**Determination under the *Freedom of Information Act 1991***

I refer to your application made under the *Freedom of Information Act 1991* received by the Office of the Minister for Primary Industries and Regional Development and the Office of the Minister for Forest Industries on 26 October 2023 requesting access to the following:

*"I seek access to the Minister's diary for the period outlined below . I only seek access to the diary in a weekly view (I do not seek access to support material that is within the meeting entry). I note that there is little jurisprudence on Minister's diary in SA. I direct the decision maker to the following decisions in the Federal jurisdiction: • Dreyfus and Attorney-General (Commonwealth of Australia) (Freedom of information) [2015] AATA 995 (22 December 2015) - note this was appealed but affirmed in the Full Federal Court • The Australian and Prime Minister of Australia [2016] AICmr 84 (7 December 2016) • Josh Taylor and Minister for Communications and the Arts (Freedom of information) [2017] AICmr 9 (25 January 2017) • Rex Patrick and Minister for Resources and Northern Australia (Freedom of information) [2019] AICmr 13 (25 March 2019) • Rex Patrick and Department of Defence (Freedom of information) [2019] AICmr 19 (15 May 2019)."*

Timeframe: 10/07/2023 to 25/10/2023

Accordingly, the following determination has been finalised.

I have located four documents that are captured within the scope of your request.

**Determination 1**

I have determined that access to the following document is **granted in part**:

Doc No.	Description of document	No. of Pages
1	Diary print-out – Minister Scriven – 10/07/2023 to 30/07/2023	3

The information removed from the above document is pursuant to Clause 6(1) of Schedule 1 of the Freedom of Information Act which states:

Minister for Primary Industries and Regional Development  
Minister for Forest Industries

GPO Box 1671 Adelaide SA 5001  
Telephone 08 8226 2931 | Email minister.scriven@sa.gov.au

**“6 - Documents affecting personal affairs**

*(1) A document is an exempt document if it contains matter the disclosure of which would involve the unreasonable disclosure of information concerning the personal affairs of any person (living or dead).”*

The information removed pursuant to Clause 6(1) consists of personal information relating to a Minister.

The term ‘personal affairs’ has been held to involve ‘matters of private concern to an individual’ and the ‘composite collection of activities personal to the individual concerned’.

Accordingly, it is considered that disclosure of this information would be an unreasonable intrusion into the privacy rights of the individual concerned.

**Determination 2**

I have determined that access to the following document is **granted in part**:

Doc No.	Description of document	No. of Pages
2	Diary print-out – Minister Scriven – 31/07/2023 to 03/09/2023	5

The information removed from the above document is pursuant to Clause 6(1) and Clause 9(1) of Schedule 1 of the Freedom of Information Act which states:

**“9—Internal working documents**

*(1) A document is an exempt document if it contains matter—*

*(a) that relates to -*

*(i) any opinion, advice or recommendation that has been obtained, prepared or recorded; or*

*(ii) any consultation or deliberation that has taken place, in the course of, or for the purpose of, the decision-making functions of the Government, a Minister or an agency; and*

*(b) the disclosure of which would, on balance, be contrary to the public interest.”*

The information removed consists of the topics of discussion for the decision-making purposes of a Minister.

In addressing the public interest test for the Clause 9(1) exemption, I have balanced the following factors:

*In favour of the public interest:*

- Meeting the objects of the Act favouring access to documents.
- Ensuring optimal use of public resources.
- High level of interest in the accountability of public office holders.
- The importance of transparency and openness and the interest that the public has in the decision-making processes of Government.

*Contrary to the public interest:*

- Topics of discussion are required to be recorded in the Minister’s calendar, however, the confidentiality of some subjects must be maintained for the decision-making purposes of a Minister.
- The recent age of the information was considered and the continuing relevance of the matters.
- If such detail was released, future diary entries would contain less detail, resulting in insufficient information being provided for the preparation of meetings.
- Disclosing this information would likely compromise the manner in which information is gathered in the future for the decision-making processes of Government.

Having considered the various factors weighing for and against disclosure, I have determined that disclosure of this information would, on balance, be contrary to the public interest.

The information removed pursuant to Clause 6(1) consists of the personal information relating to a Minister.

Accordingly, it is considered that disclosure of this information would be an unreasonable intrusion into the privacy rights of the individual concerned.

**Determination 3**

I have determined that access to the following document is **granted in part**:

Doc No.	Description of document	No. of Pages
3	Diary print-out – Minister Scriven – 04/09/2023 to 01/10/2023	31

The information removed from the above document is pursuant to Clause 6(1), Clause 9(1) and Clause 13(1)(a) of Schedule 1 of the Freedom of Information Act.

Clause 13(1)(a) states:

**“13 - Documents containing confidential material**

*(1) A document is an exempt document —*

*(a) if it contains matter the disclosure of which would found an action for breach of confidence;”*

The material removed pursuant to Clause 13(1)(a) consists of details relating to a Cabinet Committee meeting and is regarded as being confidential information which is not for release into the public domain.

The information removed pursuant to Clause 9(1) consists of the topics of discussion for the decision-making purposes of a Minister.

In addressing the public interest test for the Clause 9(1) exemption, I have balanced the following factors:

*In favour of the public interest:*

- Meeting the objects of the Act favouring access to documents.
- Ensuring optimal use of public resources.

- High level of interest in the accountability of public office holders.
- The importance of transparency and openness and the interest that the public has in the decision-making processes of Government.

*Contrary to the public interest:*

- Topics of discussion are required to be recorded in the Minister's calendar, however, the confidentiality of some subjects must be maintained for decision-making purposes of a Minister.
- The recent age of the information was considered and the continuing relevance of the matters.
- If such detail was released, future diary entries would contain less detail, resulting in insufficient information being provided for the preparation of meetings.
- Disclosing this information would likely compromise the manner in which information is gathered in the future for the decision-making processes of Government.

Having considered the various factors weighing for and against disclosure, I have determined that disclosure of this information would, on balance, be contrary to the public interest.

The information removed pursuant to Clause 6(1) consists of the personal information relating to a Minister.

Accordingly, it is considered that disclosure of this information would be an unreasonable intrusion into the privacy rights of the individual concerned.

#### **Determination 4**

I have determined that access to the following document is **granted in part**:

<b>Doc No.</b>	<b>Description of document</b>	<b>No. of Pages</b>
4	Diary print-out – Minister Scriven – 02/10/2023 to 25/10/2023	4

The information removed from the above document is pursuant to Clause 6(1) of Schedule 1 of the Freedom of Information Act.

The information removed pursuant to Clause 6(1) consists of the personal information relating to a Minister.

Accordingly, it is considered that disclosure of this information would be an unreasonable intrusion into the privacy rights of the individual concerned.

The information removed from the above document is deemed outside of the scope of your request as it is not within the date range of the application.
