The Hon Nicola Centofanti MLC  
Member of the Legislative Council  
Parliament House  
ADELAIDE SA 5000

Dear Ms Centofanti

*Nicola,*

### **Determination under the *Freedom of Information Act 1991***

I refer to your application made under the *Freedom of Information Act 1991* received by the Office of the Minister for Primary Industries and Regional Development and the Office of the Minister for Forest Industries on 9 January 2023 requesting access to the following:

*“A copy of all entries in the diary of the Minister for Primary Industries and Regional Development and the Minister for Forest Industries between 1 November 2022 and 31 December 2022”*

I have located two documents that are captured within the scope of your request.

### **Determination 1**

I have determined that access to the following document is **granted in part**:

Doc No.	Description of document	No. of Pages
1	Diary print-out – Minister Scriven – 1/11/2022 to 30/11/2022	30

The information removed from the above document is pursuant to Clause 1(1)(e), Clause 6(1), Clause 9(1) and Clause 13(1)(a) of Schedule 1 of the Freedom of Information Act.

Clause 1(1)(e) states:

#### **“1 – Cabinet documents**

(1) A document is an exempt document –

(e) if it contains matter the disclosure of which would disclose information concerning any deliberation or decision of Cabinet;”

The information removed pursuant to Clause 1(1)(e) would reveal detail of matters for consideration in Cabinet.

Clause 6(1) states:

***“6 - Documents affecting personal affairs***

*(1) A document is an exempt document if it contains matter the disclosure of which would involve the unreasonable disclosure of information concerning the personal affairs of any person (living or dead).”*

The information removed pursuant to Clause 6(1) consists of the following:

- Personal information relating to a Minister
- Telephone number
- Name of an individual

The term ‘personal affairs’ has been held to involve ‘matters of private concern to an individual’ and the ‘composite collection of activities personal to the individual concerned’.

Accordingly, it is considered that disclosure of this information would be an unreasonable intrusion into the privacy rights of the individuals concerned.

Clause 9(1) states:

***“9—Internal working documents***

*(1) A document is an exempt document if it contains matter—*

*(a) that relates to -*

*(i) any opinion, advice or recommendation that has been obtained, prepared or recorded; or*

*(ii) any consultation or deliberation that has taken place, in the course of, or for the purpose of, the decision-making functions of the Government, a Minister or an agency; and*

*(b) the disclosure of which would, on balance, be contrary to the public interest.”*

The information removed pursuant to Clause 9(1) consists of the topics of discussion for the decision-making purposes of a Minister.

In addressing the public interest test for the Clause 9(1) exemption, I have balanced the following factors:

*In favour of the public interest:*

- Meeting the objects of the Act favouring access to documents.
- Ensuring optimal use of public resources.
- High level of interest in the accountability of public office holders.
- The importance of transparency and openness and the interest that the public has in the decision-making processes of Government.

*Contrary to the public interest:*

- Topics of discussion are required to be recorded in the Minister's calendar, however, the confidentiality of some subjects must be maintained for decision-making purposes prior to being made public.
- The recent age of the information was considered and the continuing relevance of the matters.
- Disclosing this information may compromise the manner in which information is gathered in the future for the decision-making processes of Government.

Having considered the various factors weighing for and against disclosure, I have determined that disclosure of this information would, on balance, be contrary to the public interest.

Clause 13(1)(a) states:

***"13 - Documents containing confidential material***

*(1) A document is an exempt document —*

*(a) if it contains matter the disclosure of which would found an action for breach of confidence;"*

The material removed pursuant to Clause 13(1)(a) consists of details relating to a Cabinet Committee meeting and is regarded as being confidential information which is not for release into the public domain.

**Determination 2**

I have determined that access to the following document is **granted in part**:

<b>Doc No.</b>	<b>Description of document</b>	<b>No. of Pages</b>
2	Diary print-out – Minister Scriven – 1/12/2022 to 31/12/2022	31

The information removed from the above document is pursuant to Clause 6(1) and Clause 13(1)(a) of Schedule 1 of the Freedom of Information Act.

The information removed pursuant to Clause 6(1) consists of the following:

- Personal information relating to a Minister and staff member
- Names of individuals
- Telephone numbers
- Home addresses

Accordingly, it is considered that disclosure of this information would be an unreasonable intrusion into the privacy rights of the individuals concerned.

Clause 13(1)(a) states:

***“13 - Documents containing confidential material***

*(1) A document is an exempt document —*

*(a) if it contains matter the disclosure of which would found an action for breach of confidence;”*

The material removed pursuant to Clause 13(1)(a) consists of details relating to Cabinet Committee meetings and is regarded as being confidential information which is not for release into the public domain.
