FARMING FORUM INDEX - BY SUBJECT

I have attempted to index Farming Forum articles under subject headings. This has been a messy task and is by no means complete. If anyone using this index has any comments on how this index could be improved, or feels that an article should have been placed under another subject heading, could they please let me know.

FARMING FORUM INDEX - BY SUBJECT
(Compiled January 1982)

I have attempted to index Farming Forum articles under subject headings. This has been a messy task and is by no means complete. If anyone using this index has any comments on how this index could be improved, or feels that an article should have been placed under another subject heading, could they please let me know.
