The Hon Nicola Centofanti MLC  
Member of the Legislative Council  
Parliament House  
ADELAIDE SA 5000

Dear Ms Centofanti

### Determination under the *Freedom of Information Act 1991*

I refer to your application made under the *Freedom of Information Act 1991* (the Act) received by the Office of the Minister for Primary Industries and Regional Development on 29 November 2023 requesting access to the following:

*“A copy of all entries in the diary of the Minister for Primary Industries and Regional Development between 26 May 2023 and 29 November 2023.”*

The scope of your application includes documents relating to diary entries to which you have already been provided, as per my determination made on 6 December 2023 (refer MPIRD ref: eA200238). Accordingly, the scope of your application excludes these documents, ie:

- Part Release: Document 1 – MPIRD August 2023
- Part Release: Document 2 – MPIRD September 2023
- Part Release: Document 3 – MPIRD October 2023

Accordingly, the following determination has been finalised.

I have located three documents that are captured within the scope of your request.

### Determination 1

I have determined that access to the following documents is **granted in part**:

Doc No.	Description of document	No. of Pages
1	Diary print-out – Minister Scriven – 26/05/2023 to 30/06/2023	36
1	Diary print-out – Minister Scriven – 01/07/2023 to 31/07/2023	30

The information removed from the above documents is pursuant to Clause 6(1) of Schedule 1 of the Freedom of Information Act which states:

**“6 - Documents affecting personal affairs**

*(1) A document is an exempt document if it contains matter the disclosure of which would involve the unreasonable disclosure of information concerning the personal affairs of any person (living or dead).”*

The information removed pursuant to Clause 6(1) consists of telephone numbers of individuals and personal information relating to a Minister.

The term ‘personal affairs’ has been held to involve ‘matters of private concern to an individual’ and the ‘composite collection of activities personal to the individual concerned’.

Accordingly, it is considered that disclosure of this information would be an unreasonable intrusion into the privacy rights of the individual concerned.

**Determination 2**

I have determined that access to the following document is **granted in part**:

<b>Doc No.</b>	<b>Description of document</b>	<b>No. of Pages</b>
1	Diary print-out – Minister Scriven – 01/11/2023 to 29/11/2023	29

The information removed from the above document is pursuant to Clause 6(1) and Clause 9(1) of Schedule 1 of the Freedom of Information Act.

The information removed pursuant to Clause 6(1) consists of personal information relating to a Minister.

Accordingly, it is considered that disclosure of this information would be an unreasonable intrusion into the privacy rights of the individual concerned.

Clause 9(1) states:

**“9—Internal working documents**

*(1) A document is an exempt document if it contains matter—*

*(a) that relates to -*

*(i) any opinion, advice or recommendation that has been obtained, prepared or recorded; or*

*(ii) any consultation or deliberation that has taken place, in the course of, or for the purpose of, the decision-making functions of the Government, a Minister or an agency; and*

*(b) the disclosure of which would, on balance, be contrary to the public interest.”*

The information removed consists of the topics of discussion for the decision-making purposes of a Minister.

In addressing the public interest test for the Clause 9(1) exemption, I have balanced the following factors:

*In favour of the public interest:*

- Meeting the objects of the Act favouring access to documents.
- Ensuring optimal use of public resources.
- High level of interest in the accountability of public office holders.
- The importance of transparency and openness and the interest that the public has in the decision-making processes of Government.

*Contrary to the public interest:*

- Topics of discussion are required to be recorded in the Minister's calendar, however, the confidentiality of some subjects must be maintained for the decision-making purposes of a Minister.
- The recent age of the information was considered and the continuing relevance of the matters.
- If such detail was released, future diary entries would contain less detail, resulting in insufficient information being provided for the preparation of meetings.
- Disclosing this information would likely compromise the manner in which information is gathered in the future for the decision-making processes of Government.

Having considered the various factors weighing for and against disclosure, I have determined that disclosure of this information would, on balance, be contrary to the public interest.

If you are unhappy with this determination you are entitled to exercise your rights of external review with the Ombudsman SA. Alternatively, you can apply to the South Australian Civil and Administrative Tribunal (SACAT). If you wish to seek a review, you must do so within 30 calendar days of receiving this determination.

For more information about seeking a review or appeal, please contact the Ombudsman SA on telephone (08) 8226 8699 or SACAT on 1800 723 767.

In accordance with the requirements of Premier and Cabinet Circular PC045, details of your application, and the document to which you are given access, will be published in the disclosure log on the [PIRSA website](http://pirsa.sa.gov.au). A copy of PC045 can be found at [http://dpc.sa.gov.au/data/assets/pdf\\_file/0019/20818/PC045-Disclosure-Log-Policy.pdf](http://dpc.sa.gov.au/data/assets/pdf_file/0019/20818/PC045-Disclosure-Log-Policy.pdf).

If you disagree with publication, please advise the undersigned in writing within fourteen calendar days from the date of this determination.

Should you require further information or clarification with respect to this matter, please contact Ms Rachael Colegate on 8226 2931 or email: Minister.Scriven@sa.gov.au.

Yours sincerely
