

Fisheries Management (Fish Processors) Regulations 2017

Regulation 12

Revocation

The Determination made for the purposes of regulation 12 dated 3 January 2018 will be revoked as of 3 October 2023.

Determination

For the purpose of regulation 12 relating to the processing of Giant Crab, commencing 3 October 2023, I make the following determinations:-

- **Where a Registered fish processor has taken delivery of Giant Crab together with a paper GC-CDR they must comply with Part A of this determination.**
- **Where a Registered fish processor has taken delivery of Giant Crab together with an electronic report (eCDR) they must comply with Part B of this determination.**

Part A

Paper based records and reporting

Registered fish processors must record, provide information and deal with fish as described in this part where they have taken delivery of giant crab and a corresponding paper (GC-CDR) record.

Regulation 12(1)(a) (Record Information) and Regulation 12(1)(c) (Arrangements for Fish)

- (1) If a registered fish processor purchases or obtains giant crab from
- (a) the holder of a licence or permit in respect of the Miscellaneous Fishery or a Rock Lobster Fishery; or
 - (b) the agent of the holder of a licence or permit referred to in paragraph (a); and
 - (c) a Giant Crab Catch and Disposal Record (GC-CDR) in respect of the giant crab is produced to the fish processor on delivery of the giant crab;

The fish processor must on taking delivery immediately weigh the giant crab; and immediately complete the certificate contained in Part B of that GC-CDR record in respect of the giant crab.

- (2) Where a registered fish processor processes Giant Crab he or she must keep an accurate record of all purchases, sales, movements and transfers and ensure that these records are-

- (a) maintained in good condition and are legible;
- (b) kept in a readily accessible place; and
- (c) able to be produced for inspection by a Fisheries Officer on request.

Regulation 12(1)(b) (Provide information)

- (1) The fish processor may within 24 hours of taking delivery of the giant crab to which the GC-CDR record relates, transmit a copy of the completed record to the Department via fax on 08 8204 1388 and;
- (2) The fish processor must within 24 hours of taking delivery of the giant crab to which the GC-CDR record relates, deliver, or cause to be delivered, the completed record to the Department in a reply paid envelope or to;

Regulation 12(3) (keeping records)

- (1) A registered fish processor must keep copies of all completed GC-CDR records relating to the giant crab purchased or obtained by the registered fish processor for a period of 12 months of the date to which the record relates.

Part B

Electronic records and reporting

Registered fish processors must record, provide information and deal with fish as described in this part where they have taken delivery of giant crab and an electronic report 'Giant Crab – CDR' record.

Regulation 12(1)(a) (Record Information) and Regulation 12(1)(c) (Arrangements for Fish)

- (1) If a registered fish processor purchases or obtains giant crab from
 - (a) the holder of a licence or permit in respect of the Miscellaneous Fishery or a Rock Lobster Fishery; or
 - (b) the agent of the holder of a licence or permit referred to in paragraph (a); and
 - (c) an electronic report 'Giant Crab – CDR' record in respect of the giant crab is produced to the fish processor on delivery of the giant crab;

The fish processor must on taking delivery immediately weigh the giant crab; and immediately complete the certificate contained in Part B of that electronic report 'Giant Crab – CDR' record in respect of the giant crab.

- (2) Where a registered fish processor processes Giant Crab he or she must keep an accurate record of all purchases, sales, movements and transfers and ensure that these records are-
- (d) maintained in good condition and are legible;
 - (e) kept in a readily accessible place; and
 - (f) able to be produced for inspection by a Fisheries Officer on request.

Regulation 12(3) (keeping records)

- (1) Where the department has received a completed electronic report, no further record need be kept for the purposes of this determination.

For the purposes of this determination –

Electronic report – means an entry received in the eCatch electronic database created and administered by the Department. Submission of the electronic report may be directly entered into the eCatch electronic database via the myPIRSA portal (www.pir.sa.gov.au/ecatch); via the Commercial Fishing SA App; or other third-party application. If entered by a third-party application the Licence Holder, Registered Master or Nominated Agent must ensure the report has been received by the eCatch electronic database.

Department - means the Department of Primary Industries and Regions South Australia.
